European Cooperation Day celebrated within the Joint Operational Programme Romania-Ukraine-Republic of Moldova

The management structures of the Joint Operational Programme Romania-Ukraine-Republic of Moldova 2007-2013 celebrated the European Cooperation Day, together with the project beneficiaries and partners, through a major event, whose main activities consisted in: the annual conference of the Programme, a demonstrative action of intervention in emergency situations, a project fair, held in the same time with an artistic show, cultural events (a literature workshop concluded with the publication of the special edition of Alecart cultural magazine, a theatre workshop concluded with a short theatre play and a graphics and photography exhibition) and the projection of an animated movie on the Palace of Culture from Iasi.

More than 700 people of all ages happily shared experiences, skills, project ideas, music, literature, theatre and film in cross border context, as you can see in the photos below:
