The European message "Together standing strong" was followed also by the local communities within the Romania - Ukraine – Republic of Moldova 2007-2013 Programme area and as a result 14 local events have been organized. Detailed information on the events organized near to you may be found on the official website of the campaign www.ecday.eu. We would like to present our events in pictures to show that cooperation isn't always easy because sometimes we see things differently having different cultures, languages and styles, but we know that more results can be achieved when we work **together**.
